POPIS

FALL SAFE® FS240 - FLASH HARNESS, is designed for rope access and rescue in order to cover any work situation in fall protection, work positioning and restraint. It's fully adjustable with increased comfort for the most intense work at heights in any hanging direction. Extremely easy to wear, this harness opens totally, allowing it to be dressed as a jacket. With reflective and extra breathable fabric, the FS240 combines the lightness of its composition with the FALL SAFE® quality assurance. Maximum load: <140 KG Size - Weight: S/M – 2,370 Kg L/XL – 2,395 Kg XXL – 2,420 Kg
