

TECHNICAL DESCRIPTION

NAME: BNN ABSORBA XTR ESD Insole

CODE: 0688000062

SIZE RUN: 36-48

Characteristics:

1. Technical description:

Comfortable, light insole with deep heel cup. Thanks to the active coal the insole is better at absorbing sweat and eliminating the stench inside the shoe. The insole has ESD properties and therefore is suitable for EPA.

Packed in a 1 pair in a bag.

2. Material composition:

Polyester textile MESH, Hi-poly, actived carbon.
