

BENNON

EXPERIENCE OF EXPERTS

TECHNICAL DESCRIPTION

NAME: BNN ABSORBA PLUS Insole orange
CODE: D41201
SIZE RUN: 36-50

Characteristics:

1. Technical description:

Antibacterial, anatomically shaped insole suitable for heavy duty work use and active leisure time. The thick layer of microporous polyurethane absorbs sweat and maintains a pleasant microclimate inside the shoe, as well as absorbs shocks during long wear. Easy to wash and very comfortable

2. Material composition:

POLY U, polyester
